

AFFIDAVIT IN SUPPORT OF SEARCH WARRANTS

Sean Kennedy, an agent with the Federal Bureau of Investigation (FBI) being duly sworn, states:

ITEMS TO BE SEARCHED

1. This affidavit is being submitted in support of an application pursuant to Title 18 U.S.C. § 2703 and Federal Rule of Criminal Procedure 41, to require Instagram, Facebook, and Google; to disclose to the government, records and other information in its possession, pertaining to the subscribers or customers associated with the Instagram, Facebook, and Google accounts bearing usernames: @fabiaguilafc (Instagram ID: 48257008, hereinafter the **Subject Instagram Account**); fabiaguilafc (Facebook ID: 100000956313000, hereinafter the **Subject Facebook Account**); giomontu@gmail.com (hereinafter **Subject Google Account 1**); and giocallefc@gmail.com (hereinafter **Subject Google Account 2**); listed in Attachment A, which is incorporated by reference, and collectively referred to as the **Subject Communication Accounts**. The information to be searched is described in the following paragraphs and in Attachment B, which is incorporated by reference herein. The **Subject Communication Accounts** are believed to contain and conceal items that constitute evidence of violations of Title 18 U.S.C. § 844(e), using a telephone or other instrument of interstate commerce to make a threat to kill, intimidate, or injure any individual or building by means of an explosive; Title 18 U.S.C. § 875(c), communicating in interstate commerce a threat to kidnap or injure another person; and using the Postal Service to deliver a threat to kidnap or injure another person, in violation of 18 U.S.C. § 876(c).

2. The applied for warrants would authorize the search of the **Subject Communication Accounts**, by members of the FBI, or their authorized representatives, including

JKS

but not limited to other law enforcement agents assisting in the above described investigation.

AGENT BACKGROUND

3. I am a Special Agent with the FBI and have been so since 2015. As such, I am an officer of the United States who is empowered by law to conduct investigations of and to make arrests for offenses enumerated in Titles 18 and 21 of the United States Code.

4. During my employment as an FBI Agent, I have been assigned to investigate violations of federal law including bank robbery, Hobbs Act robbery, fugitives, and other violent crime. I have received training and I have gained experience in interviewing and interrogation techniques, arrest procedures, search warrant applications, the execution of searches and seizures, computer evidence identification, telephony, computer evidence seizure and processing, and various other criminal laws and procedures. Prior to my employment as an FBI agent, I worked as an instrumentation chemist for the FBI Terrorist Explosive Device Analytical Center for 18 months. I am currently assigned to the Baltimore Violent Crimes Task Force in Baltimore, Maryland.

5. Because this affidavit is being submitted for the limited purpose of establishing probable cause for a search warrant, I have not included every detail of every aspect of the investigation. Rather, I have set forth only those facts that I believe are necessary to establish probable cause. I have not, however, excluded any information known to me that would defeat a determination of probable cause. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents, police officers, witnesses, cooperating sources, telephone records, and reports. This affidavit is intended to show merely that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

6. Based on my training, knowledge, and experience, I know that web based communication accounts, such as those provided by Instagram, Facebook, and Google, are an increasingly common way for people to communicate. Your affiant is further aware that Instagram and Facebook users often use the messaging and posting functions to provide alternate contact information, such as additional Instagram or Facebook accounts, e-mail accounts, phone numbers, and/or other social networking contact information in order to continue and facilitate their communications privately.

INFORMATION ABOUT INSTAGRAM

7. Instagram is an online and mobile photo-sharing, video-sharing, and social networking service that is available for free. Users create accounts, which allow users to share photos, video and messages, and control who can view their photos, videos, and comments.

INFORMATION ABOUT FACEBOOK

8. Facebook owns and operates a free-access social networking website of the same name that can be accessed at <https://www.facebook.com>. Facebook allows its users to establish accounts with Facebook, and users can then use their accounts to share written news, photographs, videos, and other information with other Facebook users, and sometimes with the general public. Facebook asks users to provide basic contact and personal identifying information to Facebook, either during the registration process or thereafter. Users may join one or more groups or networks to connect and interact with other users who are members of the same group or network. Users can create profiles that include photographs, lists of personal interests, and other information. Facebook allows users to upload photos and videos, which may include any metadata such as location that the user transmitted when s/he uploaded the photo or video. Users can exchange private messages on Facebook with other users. If a user does not want to interact with another

user on Facebook, the first user can “block” the second user from seeing his or her account. Facebook has a “like” feature that allows users to give positive feedback or connect to particular pages. Facebook has a search function that enables its users to search Facebook for keywords, usernames, or pages, among other things. Each Facebook account has an activity log, which is a list of the user’s posts and other Facebook activities from the inception of the account to the present. In addition to the applications described above, Facebook also provides its users with access to thousands of other applications (“apps”) on the Facebook platform. Facebook also retains Internet Protocol (“IP”) logs for a given user ID or IP address.

11. A search of law enforcement databases for telephone number 443-527-1659 returned a result for Stephen S. Hill, 1100 Lisadale Circle, Apartment 1C, Baltimore, Maryland 21228 (hereinafter the Subject Residence). A search of the Subject Residence in law enforcement databases returned a result for Stephen C. WILLIAMS-HILL, date of birth June 13, 1984. The Maryland Vehicle Administration (MVA) has a record for a male named Stephen Charles WILLIAMS-HILL, date of birth June 13, 1984, home address 1100 Lisadale Circle, Apartment 1C, Baltimore, Maryland 21228 (the Subject Residence), and provides a photograph for WILLIAMS-HILL.

12. An open source search for the Instagram account @giocallefc returned results for @fabiaguilafc (the Subject Instagram Account), previously named @fabiaguilafc84, @djarmerofc, and @giocallefc. Photographs posted by the user of Instagram account @fabiaguilafc include clear photographs of the user. same person. The public posts for Instagram account @fabiaguilafc indicates that the user lives in the Baltimore, Maryland area.

13. An open source search for Twitter account @giocallef returned results for @fabiaguilafc84, previously named @djarmero and @giocallef. The public account information for Twitter account @fabiaguilafc84 includes the location Catonsville, Maryland. The public posts for Twitter account @fabiaguilafc84 include posts with Foursquare links that say, “I’m at Home Sweet Home (Catonsville, MD),” and “I’m at Catonsville Gateway Condominiums (Catonsville, MD).” Catonsville Gateway Condominiums is the name of the condominium complex for the Subject Residence. 14. October 14, 2016, a member of Tucson Police Department (TPD) in Tucson, Arizona, responded to a call for a bomb threat at La Frontera Center, located at 4891 E. Grant Road, Tucson, Arizona 85712. The receptionist at La Frontera Center received four calls from an unknown caller. The caller asked to speak to the parent, Victim #2, of Victim #1. On one of the calls the caller said, “...if you don’t get me to that bitch [Victim #2], I’m going to blow up La Frontera and kill everybody there. Do you understand me bitch?” On another call the caller said he would send bombs to Victim #2’s house and to La Frontera. The caller went on to say that he would kill Victim #2, Victim #2’s family, and then he would go on a killing spree at La Frontera.

15. Later the same day, TPD received a call from an unknown subject. The subject requested that TPD respond to Victim #1’s residence. The subject said, “I’m coming to Arizona to sodomize, torture, kidnap her, her sister [Victim’s name removed] and sell her mother, [Victim #2], to ISIS and blow up the fucking house and kill,” them. The caller said, “If she doesn’t call,

16. On October 17, 2016, Victim #1 came into a TPD substation after receiving a letter from "Gio." The return address stated it was from Stephen WILLIAMS-HILL, 1100 Lisadale Circle, #1C, Catonsville, Maryland 21228 (the Subject Residence). Victim #1 asked a member of TPD to open the letter. Contained within the letter was an un-rolled condom. The letter stated Victim #1 could not hide because WILLIAMS-HILL would track her down.

17. On October 20, 2016, an employee of La Frontera Center, contacted investigators regarding threats to Victim #2, as well as their company. The La Frontera Center employee informed investigators that beginning in September 2016, Victim #2 began to receive threats on her work voicemail and email.

18. On October 22, 2016, La Frontera Center provided investigators with access to review Victim #2's voicemail. Below is a sample of the received voicemails, some of which is verbatim:

- a. Received September 7, 2016 from phone number 443-527-1659: "You fucking piece of shit, how dare you not I give you a fucking letter and you don't fucking respond, you're going to get, you better pray I don't come to Tucson, I'm going to get you all, you know who this is, you don't know who I am, you better be careful with Gio bitch."

20. On October 25, 2016, investigators received Electronic Benefit Transfer (EBT) records for WILLIAMS-HILL. EBT records have WILLIAMS-HILL's home address as the Subject Residence and his phone number as 443-527-1695. The listed phone number of 443-527-1695 is likely from a typographical error, since investigators know WILLIAMS-HILL's phone number as 443-527-1659. The EBT records showed a transaction on WILLIAMS-HILL's EBT card at Lotte Plaza Market, located at 6600 Baltimore National Pike, Catonsville, Maryland 21228. Lotte Plaza Market is located approximately 500 feet from the Subject Residence.

21. The same day, surveillance was conducted on 1100 Lisadale Circle, Catonsville, Maryland 21228, the Subject Residence building. WILLIAMS-HILL was observed walking out of the Subject Residence building.

22. Later the same day, a Postal Inspector from the United States Postal Inspection Service contacted investigators regarding a prior information request about mail service at the Subject Residence. The Postal Inspector informed investigators that the names Stephen Hill, Montu, and Avila were inside the mailbox for the Subject Residence.

23. On November 1, 2016, United States Magistrate Judge Stephanie A. Gallagher signed an arrest warrant for WILLIAMS-HILL and a search warrant for the Subject Residence.

24. On November 2, 2016, the search warrant for the Subject Residence was executed and WILLIAMS-HILL was arrested. The only resident of the Subject Residence was WILLIAMS-HILL. A Toshiba Laptop, Dell desktop computer, Sony PlayStation 3, a Kingston USB flash drive; and four DVDs and one CD; were recovered from the Subject Residence. Two envelopes, one addressed to Victim #1 and one addressed to Victim #2; two boxes of condoms, one of which had one condom missing; a Samsung Galaxy Note 4; and the box for the Samsung Galaxy Note 4; were also recovered from the Subject Residence. Marked on the label on the Samsung Galaxy Note 4 box was the international mobile equipment identity (IMEI). The IMEI is a number that is unique to each phone. Paperwork found with the box had the name Stephen Hill, the same IMEI assigned to the recovered phone, and phone number 443-527-1659.

25. In a subsequent post-*Miranda* interview, WILLIAMS-HILL admitted making the aforementioned threats. WILLIAMS-HILL confirmed that his phone number was 443-527-1659 and provided the name of his Facebook account “fabiaguilafc” (the **Subject Facebook Account**).

26. On November 9, 2016, Victim #2 provided a copy of a letter and envelope sent from WILLIAMS-HILL to Victim #1 and Victim #3. The return address on the envelope was torn but appeared to include the name Stephen Hill and Langley Park, Maryland. Below is a sample from the letter, some of which is verbatim:

- a. Your boy Gio “Da Man” Calle is back at again harassing y’all with this real fuckin talk...And [Victim #1], I fuckin impersonated your family on Twitter again...I saw those complaints you typed on the internet, using giomontu@gmail.com (**Subject Google Account 1**) and giocallefcc@gmail.com (**Subject Google Account 2**)...I’m going to burn and cauterize your eyes so bad you’ll be blind. [Victim #3] too. I’ll sell your mother [Victim #2] and Grandma [name removed] to ISIS,

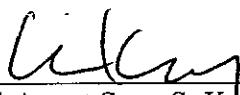

LMAO!!...Like I said, you will never be safe walking the streets [Victim #3] and [Victim #1]. You should always have one eye open, LMAO!! Unless you call me at 443-527-1659...Happy Birthday to your father...Maybe I'll injure him, and cut him up like a piece of meat.

27. Based on the foregoing, I submit there is probable cause to believe that Stephen Charles WILLIAMS-HILL has used a telephone or other instrument of interstate commerce to make a threat to kill, intimidate, or injure any individual or building by means of an explosive, in violation of 18 U.S.C. § 844(e); has communicated in interstate commerce a threat to kidnap or injure another person, in violation of 18 U.S.C. § 875(c); and has used the Postal Service to deliver a threat to kidnap or injure another person, in violation of 18 U.S.C. § 876(c); and that the **Subject Communication Accounts** contain evidence of that criminal activity.

CONCLUSION

28. WHEREFORE, I respectfully request that the Court issue a warrant to require Instagram, Facebook, and Google, to disclose to the government copies of the records and other information (including the content of communications) particularly described in Section I of Attachments B to the warrant for the **Subject Communication Accounts** listed in Attachments A. Upon receipt of the information described in Section I of Attachments B, government-authorized persons will review that information to locate the items described in Section II of Attachments B.

Respectfully Submitted,

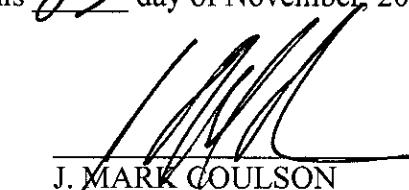

Special Agent Sean S. Kennedy
